I want to provide you with an update on our services and how we are operating.

COVID-19 strikes directly at the heart of our model that is built on social connection, but we had to make difficult decisions quickly, within our tightly knit and vulnerable community.

Social distancing is critical for curbing the pandemic and so we have created action plans for the physical closure of our Clubhouse. This has included:

- our staff team working from home remotely, and providing outreach services by phone, text, email, messenger, WeChat, etc.
- creation of “Pathway’s Virtual Clubhouse” Facebook site to connect by video and live feeds, providing a variety of healthy tips.
- for many of our vulnerable members, we are providing meals safely delivered to their home.
- providing individualized community supports during this time of high stress and anxiety.
- protecting our amazing staff team, physically and mentally.

Each of us are experiencing a wide variety of challenges, and we are concerned about everyone’s stress and anxiety. If we can be of support to you, or to a friend, neighbour, or loved one, please contact me at dave.macdonald@pathwaysclubhouse.com or 604-276-8834, ext. 206. Be safe, be well, be kind.
